RISK MANAGEMENT SYSTEM

EXPERIENCE PROACTIVE RISK MANAGEMENT – FORTIFIED WITH INDUSTRY EXPERTISE AND INNOVATIVE TECHNOLOGY.

At **Shomer Insurance Healthcare Division**, we cater to long-term care facilities, focusing on early and proactive risk management resolution strategies. Our 25 years of LTC experience and specialization in **loss control and compliance** allows us to swiftly and expertly meet your needs. From quality assessment

to clinical nursing consulting to facility emergency and disaster preparedness, we've got you covered! And we streamline the process with our **proprietary Prism Risk Management System**, an innovative, Web-based risk management program for member facilities.

PRISM RISK MANAGEMENT SYSTEM

Prism Risk Management System provides long-term care providers with a better way to manage risk. It's the ultimate one-stop risk management platform, offering an effective way to deliver tools and resources to member facilities.

- **CERTIFICATE OF INSURANCE SERVICES** – Track vendor certificates of insurance efficiently and send e-mail alerts before they expire.
 - **INCIDENT TRACKING, TRENDING AND OSHA LOGS** – Track work comp-related employee incidents to help reduce losses and save money. Once entered, the information will automatically populate OSHA logs, a real time-saver!
 - **MATERIAL SAFETY DATA SHEET SERVICES** – Comply with a frequently cited OSHA standard by staying up to date with all the cleaning products used in the facility. No more worrying about data sheets disappearing out of the binder because the information is Web-based and electronically stored.
 - **CUSTOM ONLINE TRAINING** – Track employee training and send reminders when training or updates are due. For example, CPR certification.
 - **DESCRIPTION AND DEVELOPMENT SUITE** – Review job descriptions and make them facility-specific.
 - **HR SUITE** – Research HR questions and get the answers needed to stay in compliance.
 - **GAP ANALYSIS** – Identify areas to positively impact facility safety and workers' compensation program, gaining efficiencies and motivating staff.
- Prism Risk Management System** offers innovative risk management software designed to save you time and money!
